
Join Green Elementary for our annual Spring Family Night

A Night at the Museum

Thursday, May 4

6:30-8:00pm

Come and spend some time together as a family and tap into your creativity as you complete some art and literacy stations! Come learn and create art inspired by some great modern artists including Picasso, Mondrian & Calder! Decorate your own one of a kind cupcake snack while watching a cake decorating demonstration and watch various local artists including Dairy Barn & Can Do Creations do their thing! View our school-wide art project inspired by the works of Dale Chihuly and see why we collected all those plastic bottles!

It is going to be an AMAZING night!

Please bring this registration form with you <u>the night of the event</u>!
