## PUBLIC PARTICIPATION AT BOARD MEETINGS

The presiding officer of each Board meeting at which public participation is permitted administers the rules of the Board for its conduct. Where his/her ruling is disputed, it may be overruled by a majority of the Board members present and voting. The presiding officer is guided by the following rules:

1. Public participation is permitted only as indicated on the order of business in the bylaws of the Board.
2. Participants must be recognized by the presiding officer and must preface their comments by an announcement of their name, address and group affiliation if appropriate.
3. Each statement made by a participant is limited to five minutes duration.
4. No participant may speak more than once on the same topic unless all others who wish to speak on that topic have been heard.
5. All statements are directed to the presiding officer; no participant may address or question Board members individually.
6. The presiding officer may:
  - A. interrupt, warn or terminate a participant's statement when the statement is too lengthy, personally directed, abusive, obscene or irrelevant.
  - B. request any individual to leave the meeting when that person does not observe reasonable decorum.
  - C. request the assistance of law enforcement officers in the removal of a disorderly person when that person's conduct interferes with the orderly progress of the meeting.
  - D. call for a recess or an adjournment to another time when the lack of public decorum so interferes with the orderly conduct of the meeting as to warrant such action.
7. The portion(s) of the meeting during which the participation of the public is invited shall be limited to 30 minutes.
