

Green Elementary- A Leader in Me School

PARENT UPDATE

April 2018

Lead & Achieve!

The
Leader in Me[™]
great happens here

Make Up Days

Make up days will be added to the end of the school year which means the end of the year is now May 29th. If any changes are made to this schedule we will send home additional notification.

K-4 Music Program

Our annual Spring Music Program is scheduled for Tuesday, April 10th at Logan High School at 6:30. Students should arrive between 6-6:15.

Teachers will be on site to gather students as they arrive. Our program is all inclusive with all K-4 grade levels participating in the show. As per request of the students, they will have the opportunity to watch the show from the audience while not performing. All students will be sitting with their classes until the conclusion of the program. Please join us and help us fill the LHS auditorium again this year for this fun & entertaining show!

Several student leaders from Project Safe joined Mrs. Osburn at the local SAM FM radio station to record the Schools in Session show. Students helped to discuss leadership and how they apply the 7 Habits. You can listen to the 10 minute show by clicking on the link within the news story on our school website.

Way to go Green Leaders!

State Testing for Grades 3 & 4

Students in grades 3 and 4 will be taking mandatory state tests in the areas of Math and Reading in April. **We will begin with 3rd grade Reading on April 10th, followed by 4th grade on April 17th. Math will then take place the week of the 23rd for both grade levels.** These tests are all given online. It is extremely important that your child be present for testing. If you have any questions about the tests or the process, please call Mrs. Osburn. You can also check out practice tests by going to the Ohio Department of Education website and searching practice test to see what the tests look like at your child's grade level.

HABIT HINT

When using the habits we also apply the idea of the **CIRCLE OF CONTROL**. This means that we can only control what we do- our responses, our actions, our thoughts. We cannot control other people, the weather, the car breaking down ,etc. We need to put our energy into what we **can** control for the ultimate impact!

TRACKING OUR WILDLY IMPORTANT GOALS (WIGS)

Our school is tracking some Wildly Important Goals (WIGS) in order to ensure school-wide success. These areas are being tracked at the individual student level, class level and school level so we can see how our reading strategies, behavior and attendance come together to help us be successful in school.

BEHAVIOR

Our behavior has settled out into the 85% range as we started out the new 9 weeks. Remember that Green and Yellow are what we want to see everyday.

ATTENDANCE

Our attendance been 93-95% each week. We really want to hit the 97% mark consistently. We would like to encourage all students to be at school everyday in order to do their best leading and learning.

READING SKILLS

We are finishing the calculations on our reading goal. We know growth was made despite all the crazy snow days...we still aim for 100% of students showing growth!

Lunch Menu

Our school has made four adjustments to the April lunch menu based on student feedback and available ingredients. The menu being sent home is the Green adjusted menu which is different than the one posted on the district website. Effected dates are the 12th, 24th, 26th and 27th.
