

Green Elementary- A Leader in Me School
PARENT UPDATE

November 2016

Lead & Achieve!

The Leader in Me™
great happens here

PARENT VOLUNTEERS

If you are interested in being a school volunteer, we have a variety of opportunities! Check out the website for the volunteer form that was sent home about a week ago! The more helpers the merrier our school!

ATTENDANCE POLICY

Please remember that our tardy time is 9:15. **ALL students must be buzzed into the building and signed in by an adult if they are late to school.** Parents of students who accumulate excessive tardies may receive a referral to Juvenile Court.

Grade cards will be posted in Infinite Campus on 11/4

4th grade leadership teams have been underway for several weeks. Sharing responsibility in the building with students is a win-win for students and staff alike! One team, New Student Ambassadors, do many jobs like welcoming new students and giving tours to visitors. They are also the “voice” of our school voicemail system!

Project Safe Tutoring still has spaces available! Grades 1-4 can receive free Reading tutoring before school and participate in fun Project Safe Activities. Call the school if you are interested!

STUDENT ACTIVITY RAFFLE!

Congrats to kindergartener, Sadie Myers for selling the winning ticket! Limo ride students will be announced soon and the limo ride will take place sometime after Thanksgiving break. Thanks to all who sold tickets!

HABIT HINT

We talk about SYNERGIZING daily at school- habit #6.. Synergizing is working together at the highest level. Teachers, students, classrooms and the building strive to work together to achieve our goals. How can you synergize at home?

TRACKING OUR WILDLY IMPORTANT GOALS (WIGS)

Our school is tracking some Wildly Important Goals (WIGS) in order to ensure school-wide success. These areas are being tracked at the individual student level, class level and school level so we can see how our reading strategies, behavior and attendance come together to help us be successful in school.

BEHAVIOR

We had a big dip down to 77% during the second to last week of the grading period, but students have turned it around to end the grading period by exceeding our goal of 85%

ATTENDANCE

We have met our attendance goal of 97% nearly every week. Great job! We still have not had a streak of days without tardies or early dismissals and can really use parent support on this part!

READING SKILLS

We will be able to report our percentage of students who made reading growth on the STAR test when students take this during the first week of November.

Parent- Teacher-Student Conferences will be held on Thursday 11/10 and Friday 11/11. Notices were mailed with conference appointment times. We would like students to come and share in the conversation about their learning this year. Students will receive a special Conference CEO Award for participating!
