

August 1, 2019

Dear Green School Families,

Summer is rapidly coming to an end and the staff at Green has been busily planning for the upcoming 2019-2020 school year! Throughout the summer our custodial staff has been sprucing up the building (the floors are so shiny you can see your reflection!) while our teaching and support staff have been attending professional development, planning lessons and choosing activities to help our students lead and achieve in the year ahead! Our school is truly fortunate to have such a dedicated group of people ready to educate our student leaders from preschool through 4th grade.

We continue to be a Leader in Me Lighthouse School where we strive to develop the whole student, including academics and leadership skills. In our building, students play an active role in helping develop our school community including classroom and school-wide jobs, special event planning, clubs, peer recognition and more. It is a fact that our school would not run as well without the involvement of the students! Our mission is “to educate and empower today’s students to lead and achieve in tomorrow’s world” and we work to put this into action each day.

I would like to invite your family to our annual Open House on Thursday, August 15th from 4-6pm. This is a chance for you to tour the building, meet our staff, connect with some local organizations and learn more about the upcoming year. Our theme this year is “**Hungry to Lead and Achieve!**” based on Eric Carle’s *The Very Hungry Caterpillar*, as we believe that we can help each student grow and find their wings. We will also host our annual scavenger hunt which will lead to a raffle for some prizes to be given out on the first day of school!

We will once again be using Class Dojo for parent communications. This app allows us to post reminders, announcements and real time learning updates from around the building, as well as, giving families another way to contact staff. We had such an overwhelming positive experience with this program that we cannot wait to use it again this year! Existing users still have access to the school page and will be able to update to their student’s new classroom soon. New users will have instructions made available at Open House and through their child’s teacher.

One last piece of information for our families. I wanted to share that I will be making a transition reverting to my maiden name of Rebecca Hubert for the upcoming school year and have been updating all my school contact information and school correspondence. You are always welcome to contact me via school email rhubert@lhsd.k12.oh.us or at the school office, 740-385-7789.

Looking forward to a year filled with wonderful opportunities for our Green School community!

Lead & Achieve!

Ms. Rebecca (Osburn) Hubert
