

MISSION: ~~IM~~POSSIBLE

Dear PS-4 Special Agents & Families,

Can you believe it is August already? I hope that each of you is well and you had the chance to sharpen your saw this summer! In just a few weeks we will return to school to take on a **very special mission**...one that will continue to build your skills as a student and a leader. Are you ready?

Over the last school year, the staff of Green Elementary took the time to reflect upon what our staff, our students, our families and our community want to see in an education for our students. After agreeing on what we found to be the "big rocks" or highest priorities (including academic success, leadership, accountability, citizenship, teamwork, responsibility), we worked on putting these ideas into words that were meaningful to all stakeholders. We are so very proud to unveil the new mission statement which will drive what we do each day during the school year:

At Green Elementary
we **educate** and **empower** today's students
to **lead** and **achieve** in tomorrow's world.

We are extremely excited to unleash the power of these words to make this mission a reality for each and every child at our school!

To celebrate our new mission, our PS-4 Special Agents are invited to a "Mission Possible" Open House event on Monday, August 22nd from 4-6pm. Come meet other Special Agents (staff) at Mission Headquarters (school). You can also participate in an "I SPY" scavenger hunt to enter a drawing for some fun prizes that will be given away when you report for your first day of mission training (8/25 for grades 1-4, 8/29 for kindergarten and preschool). Come see what "Back to School" at Green is all about!

Each year we post staff profiles so students and families can learn a little more about who is in our building. This year, we would like to invite students to join in the fun! Please complete the included Special Agent profile and return it to the Special Agent in charge of your division (grade level) so we can display these in the hallways.

If there is anything that you need assistance with before the beginning of the school year, please feel free to contact me at the school office, 385-7789, or via email rosburn@hsk12.oh.us.

Sincerely,

Special Agent Rebecca Osburn
Mission Supervisor (Principal)
