A LEADER IN ME SCHOOL
LEAD AND ACHIEVE!

PARENT UPDATE

OCT 2015- Page 2

LEAD & ACHIEVE SCHOOL-WIDE GOALS

To ensure high expectations for all students, we are running our Lead and Achieve goals school-wide again this year.

Our Lead Goal has to do with behavior. We expect students to strive for green behavior according to our behavior wheel (system) each day, but understand that yellow is okay, as we all may need a reminder now and then. Our school-wide goal is that all students will be on Green/Yellow at least 80% of the time. So far we have been running at 87-90% each week!

Our Achieve Goal has to do with Reading Achievement . We are looking for our students to meet their reading goals measured by completion of reading homework in grades K-1 and the passage of AR quizzes in grades 2-4. Our goal is to have 80% of student meeting this benchmark each week. Currently we have been running between 67-77% - we are working to hit that 80%. Please help by reading with your student at home each night!

**Way to Lead
and Achieve
Green Students!**

SOCKTOBER

Green Elementary is joining Kid President (a child motivational speaker) in his annual SOCKTOBER event!

In every community, the issue of homelessness exists. In Logan to help assist with our homeless population, the Inspire Shelter works to offer shelter, food and clothing to those in need. One of the most sought after items, especially in winter, is socks.

We will be conducting a new sock drive to help the Inspire Shelter. Sock should be new and can be for children or adults. Our goal is 100 pair of socks to be collected. If our school can meet or exceed our goal we will have a SOCKTOBER celebration at the end of the month! Our collection period will run from October 1st through the 30th.

LOST & FOUND

We are starting to collect items such as jackets and lunch boxes in our lost and found pile. Please be sure that you mark your child's items with their name so that they can be easily returned.

ATTENDANCE

For your child to receive the best education possible, they need to be present EVERYDAY! Please remember that the attendance policy was updated to excuse only medical leave and to count tardies and early pick ups.

INSERVICE

There is a teacher inservice day on Monday October 19th. There is no school for students this day.

FIRE SAFETY

A Fire Safety program will be held for our younger students on Tuesday, October 13th at 3pm for our younger students.
