

# ***Come join the fun and support students through our VOLUNTEER OPPORTUNITIES!***

We love to have parents, family members and guardians join us at school to help with various activities that make a positive impact on our school community! Some activities require a background check, fingerprinting and board approval and others are available without. If you would like to contribute to our school in one of these capacities, please return this sheet to the school with your choices marked. Feel free to call the school if you have any questions, 385-7789.
