

PTO Volunteer Form

The PTO is a group of parents and teachers at Central Elementary dedicated to enriching out children's educational experience and promoting school spirit by sharing our time, talents and resources. Please review the checklist below and let us know how you might share your time and talent with the Central Elementary School. As an opportunity arises in your area of interest, a PTO member will contact you. If the timing isn't convenient for you, just say so, and we will try again later. No guilt, no pleading...we promise!

Parent/Guardian's Name

Child's Name
