

Building Enrichment Representative Program

The district believes that enrichment activities are important for all students. To supply each student K-12 with exposure to enriching activities we have a Building Enrichment Representative Program. Each school building in the district has one designated representative who helps to coordinate enrichment activities within the school. These activities encompass both academic areas and the arts and continue through out the year. Some of the annual events include:

Right to Read Week

COSI on Wheels

Columbus Junior Theater

Land Lab

Martin Essex/ Regional Scholars

Mid-West Talent Search

Family Nights

Career Days

The Building Representatives for the current school year are:

Marsha Myers- Logan High School

Dina Metzler- Logan Hocking Middle School

Amy Kline- Central Kindergarten

Michelle Maniskas - Central Primary

Laura Richards – Central Intermediate

Connie Flemming- Chieftain Elementary

Tina Shonborn/Liesel Lambert- Green Elementary

Kathy Smart- Hocking Hills Elementary
