

Welcome to **Central Elementary PTO!**

Our key mission is to promote an environment at school where teachers and administrators can do their best work and our students can do their best learning. We're always eager to find more great people, like you, to help us meet this goal.

We don't expect a huge time commitment from volunteers. An hour can be a big help to our group and the school, and we have tasks to fit all schedules and interests. Just let us know whether a program, event, or activity interests you and when you might be free to help.

Research shows that students whose parents are involved in their education have better grades and fewer discipline problems. Involvement at the school also makes it easier to establish friendships with teachers and other parents. We promise that the time you give our group and the school will be worth your while—and fun!

Before each big event, a note will be sent home with your student to give you an opportunity to volunteer or you may email me directly. I have listed some of activities below. Our PTO meetings are traditionally the second Thursday of the month at 5:30 pm in the cafeteria. Please like us on Facebook (Central Elementary PTO) which will also help keep you informed.

Sincerely,

Cammie Starnes
