We are holding our 4th annual Dapper Dudes and second annual Lovely Ladies Workshops in preparation for our Dress Your Best Luncheon on Feb, 14th. This school event has become a tradition that the students look forward to from the tie and bracelet workshops, to the fancy luncheon to the student planning of the event. This offers students the chance to apply their leadership in a social setting as well as an academic one.

FEB FAMILY CONFERENCES

A short round of follow up conferences will be held in February 21st from 4-7:30pm. If a conference is requested your child's teacher will be in touch. Remember that if you are in need of connecting with your child's teacher you may call the school at anytime.

MAKE UP DAY

Feb 18th is now a scheduled make up day. We will be in school that Monday as usual. Students are expected to attend (with the exception of 4 day preschool).

Fundraisers

Congrats to our Principal for a Day winners from the Great American Fundraiser- Ellie Lambert, Sadie Myers and Owen Hacker! The kids will rule the school the week of 2/ 18!

School Mall booklets are coming home. These earn our school funds for every mailing card completed. Easy Peasy!

We will be selling spring flowers from the company that brought you Mumkins this fall! They are beautiful & reasonably priced.

HABIT HINT

Habit numbers 4-7 look at how we work with others. A new family learning packet was sent home with students with grade cards. If students complete the packet, teaching the 7 Habits at home, they will be invited to a special celebration. This opportunity gives students the chance to practice their leadership knowledge by sharing it with others.

Dress Your Best

Thank you to PTO and our Student Lighthouse Team for planning our annual Dress Your Best luncheon! All students are invited to dress up in their fanciest outfit for a sophisticated lunch with tablecloths, centerpieces, music and dessert. We will have indoor recess this day with a special dance organized by Student Lighthouse. Due to the organization of this special lunch we cannot accept parent visitors on this day.

TRACKING OUR WILDLY IMPORTANT GOALS (WIGS)

Our school is tracking some Wildly Important Goals (WIGS) in order to ensure school-wide success. These areas are being tracked at the individual student level, class level and school level so we can see how our reading strategies, behavior and attendance come together to help us be successful in school.

BEHAVIOR

We ask our students to demonstrate good leadership though their daily behavior and interactions with others. The 9 last weeks we have been running between 84%-89%! Our goal is 85%! Nice job!

ATTENDANCE

We would like your child to be at school EVERY day to do their best learning! Our attendance has been running between 93-97%. The average was 95% but our goal is 97%.

READING SKILLS

We had 87% of students show growth on their grade level reading indicators. We are continuously striving for this number to be 100%!
