

**INCLEMENT WEATHER PLANS  
Logan-Hocking School District  
2014-2015**

To avoid missing school on days of inclement weather, when road conditions are marginal, we have developed alternate plans for transporting students. Listed below are these plans:

**PLAN A - LIMITED BUS ROUTE**

1. School buses will travel on all State Highways.
2. School buses will travel on all County Highways, **EXCEPT:**
  - A. Bear Run Rd. (North End Hill)
  - B. Buckingham Rd. (Hill)
  - C. Summit Drive
  - D. Co. Rd. 7
  - E. Co. Rd. 76
  - F. Chapel Ridge Rd.
3. School buses will travel on a limited number of township roads.

Reasons for not picking up students would be if they live on a hill, narrow road, or inaccessible turnaround location.

Students will be notified by the bus driver that they will not be picked up on Plan A days.

In the interest of providing services for families who do not live on the traveled roads, buses will pick up students who are brought out to the traveled roads.

**IN THE EVENING, THESE STUDENTS WILL BE DROPPED OFF AT THE POINT WHERE THEY WERE PICKED UP.**

**PLAN B - DELAYED STARTING OF SCHOOL**

A delay will be two hours. Dismissal will be at the regularly scheduled time.

If any of the above plans are put into operation, appropriate announcements will be made over WLGN - 98.3, K 95.5, WATH - 105.5, WAIS - 107.7 radio stations and TV-Channel 4, TV Channel 6 and TV-Channel 10. In the event an early dismissal or Plan A becomes necessary, such action will also be announced over these radio stations. TV-Channel 4, TV-Channel 6 and TV-Channel 10 can only announce closings.

**If a parent transports a child to school, during inclement weather, when the bus has not traveled by their home, the parent will be responsible for providing the child transportation home, following dismissal; however, the child may ride the bus in the evening, realizing that the bus will travel only on the roads that are authorized under Plan A, and may not travel by the child's home.**

**PLAN B - DELAYED STARTING TIME**  
**TWO HOUR DELAY**

9:25 A.M. Buses Leave for Tri-County

9:27 A.M. High School Classes Begin

9:25 A.M. Middle School Classes Begin

10:00 A.M. Logan Christian School Classes Begin

10:40 A.M. Central Elementary Classes Begin

11:20 A.M. St. John's Catholic School

11:15 A.M. Green Elementary Classes Begin

11:10 A.M. Union Furnace Elementary Classes Begin

Additionally, we may use PLAN A (limited routing) in conjunction with a delayed starting time, and may possibly use a PLAN A on high school routes, but not on the elementary school routes. If PLAN A is used on the high school routes and not the other routes, high school students are not to ride on the elementary A.M. Routes.

On Plan A & Plan B days, you must stop for all students on travelled roads because of the uncertainty of the pick up time.
