

# Green Elementary **LEADER LEDGER**

Educate, Empower, Lead & Achieve!

November 2021

## Announcements

**Grade cards** and progress reports were sent home with students. Please review these closely. Teachers will be able to answer questions and offer insights into your child's learning process during Parent Conferences (see below).

As we begin a new grading period, you can keep up on your child's progress through the **Parent Portal on Infinite Campus**. If you need access you can send a request through the Technology Dept on the Logan Hocking Schools website.

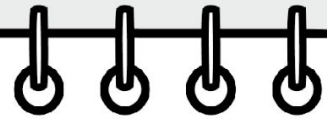

Our Student Lighthouse Team will be hosting a **Veteran's Day Assembly on Wednesday, November 10th** for all students. **We ask students to wear red, white and blue** as we celebrate those who have served our country.

The district has made a change to the school calendar for November. **11/24 will now be a Staff Inservice Day and a NO SCHOOL day for students**. Please mark your calendars!

**Quarantine work MUST be completed** to count for attendance and grades. We cannot make up all needed work at school and must ask for family partnership in this process.

## Parent/Teacher Conferences

These parent meetings will be held on the evening of November 10th and during regular school hours on November 12th. Letters with scheduled times were mailed to families last week. If you have any issues with your assigned time, please contact the office to reschedule at 740-385-7789. Conferences can be in person, phone or Google meet per arrangements with the teacher.

## Habit Hint

### Habit 3: Put First Things First

This habit talks about setting priorities. When we look at what has to be done we have to choose the most important things to do first and then take on the less important tasks. We talk about big rocks and little rocks- big rocks are things like family, school, friends, health.

### PTO

The PTO meeting for November is now **WEDNESDAY 11/3 @ 4:30 pm** due to a conflict. Join us in the Library or online via link that will be on Remind.
