### Attendance Policy

Please understand that regular school attendance is required by Ohio law. Excessive absences (which is tracked by minutes missed) may result in a referral to the attendance officer and/or juvenile court. Being here every day, all day is a key to school success!

We have had a terrific start to our school year! Each day all of our students have been making strides in picking up the routines and expectations of their new classrooms. Our staff is so very excited to help our students find their wings to allow them to lead and achieve to the greatest extent possible!

### T-SHIRT ORDERS

We have had many requests for our new school t-shirts. We are working on an ordering system and will share more information soon!

### HABIT HINT

We use the 7 Habits of Happy Kids as our operating system. The habits are represented by a tree- the first 3 habits are the roots that build the foundation within ourselves and the last 4 are how we handle relationships with others.

### WILDLY IMPORTANT GOALS (WIGS)

Our school is tracking some Wildly Important Goals (WIGS) in order to ensure school-wide success. These areas are being tracked at the individual student level, class level and school level so we can see how our reading strategies, behavior and attendance come together to help us be successful in school.

#### BEHAVIOR

Our WIG for behavior is to have students displaying green or yellow behavior 85% of the time. We always strive to be green, but on occasion we all need a reminder that might lead to a yellow day. Behavior is important because we need to be good leaders and listeners to be good learners.

#### ATTENDANCE

Our WIG for attendance is for our school to have 97% attendance each week with the fewest number of tardies or early pick ups. Students should be at school ALL DAY, EVERY DAY in order to learn and be successful. Missing school interferes with student achievement.

#### READING SKILLS

Our WIG for Reading is that 100% of K-4 student will show growth each 9 weeks on their STAR assessments. Reading is a foundational life skill that we continue to build throughout our education. We want to be sure all students are constantly growing as readers as the year progresses.
