

Join us for a little Spring Fling!

In response to the order from the governor to extend the school closure, the staff and PTO at Green Elementary want to let students know how much we miss them by offering our school community a little pick me up!

Join us on Friday, April 10th between 11am and 1pm to drive thru, wave to some staff members and pick up a **SPRING FLING BAG** filled with treats & lots of **FAMILY FUN!!!**

We hope to see you there!
