

1st place Jr. High Division
(L-R): Linda Yates, Nick Roach,
Tylor Stimmel, and
Stephany Lawrence.

(L-R) Holly Taylor, Zak Howell,
Cody Stumbo, and Dakota
Phillips check the water
quality of the stream, and
identify macroinvertebrates.

(L-R) Brandon Wells, Christy Burcham,
Brittany Hunt, and Ashley Skinner
answer questions on environmental
issues such as point and non-point
source pollution, runoff, silt erosion,
and the effects of pesticides and
herbicides on the wildlife and the
environment.

Students work on soil testing
